LUKOIL TO PROVIDE SERVICE FILL FOR DOOSAN EQUIPMENT

LUKOIL has started to supply lubricants to Cartrade, the exclusive importer of Doosan automatic and electric loaders in Russia.

LUKOIL will provide the distributor of the Korean equipment manufacturer with a wide range of lubricants, including motor, transmission and hydraulic oils as well as greases, antifreezes and brake fluids. LUKOIL AVANTGARDE ULTRA motor oil and LUKOIL ATF transmission oil will constitute the main volume.

Note to editors:

Doosan is one of the top-10 world equipment manufacturers and the largest one in the South Korea. The company supplies its automatic and electric loaders in 90 countries. Cartrade distributes Doosan equipment in Russia since 1996.
