LUKOIL TO PROVIDE FIRST FILL FOR ELAZ EQUIPMENT

LUKOIL has signed an agreement with Elabuga automobile plant (ElAZ) on supply of lubricants for the factory fill of ELAZ-BL loader-diggers manufactored under Turkey-based Çukurova Makina İmalat ve Ticaret A.Ş. license.

LUKOIL will supply a wide range of hydraulic, engine, transmission and universal tractor oils for the first fill of Çukurova equipment fitted with Perkins engines, David Brown hydraulic systems as well as ZF and Carraro transmissions.

Çukurova Makina is the largest Turkish manufacturer of universal excavation and construction equipment. The company distributes its products in over 50 countries. Çukurova develops its loader-diggers jointly with Liebherr.
