LUKOIL TO SUPPLY LUBRICANTS FOR CHINA'S LEADING CONSTRUCTION EQUIPMENT MANUFACTURER XCMG

LUKOIL has signed a contract with XCMG Russia, subsidiary of Chinese Xuzhou Construction Machinery Group Co. Ltd. (XCMG), on supply of service fill lubricants.

LUKOIL lubricants will be used for servicing of road and construction equipment as well as other special machinery manufactured by XCMG. The product range for XCMG includes LUKOIL AVANGARDE ULTRA motor oils, LUKOIL TM and ATF transmission oils, LUKOIL GEYSER hydraulic oils, FLEX greases and auto chemicals.

Note to editors:

XCMG is the fifth largest global construction equipment manufacturer in terms of production volume. The company sells its products in 174 countries. The concern specializes in production of loading, road and construction, excavation equipment and special purpose machinery.
